

# TIKANGA MĀORI MISSIONS COUNCIL

*The Tikanga Māori Missions Council (TMMC)*

## THE FACTS:

Proclamation Teaching

### The Tikanga Māori Missions Council (TMMC)

Overseas missions provide the opportunity for personal fulfilment, spiritual growth, and the chance to share the love of God.

Historically, this project offered opportunities for our Tangata Whenua, young and old, to participate in overseas missions that are safe, rewarding and memorable.

This year due to travel restrictions, the project primarily focuses on fine-tuning the mission's programme, through the gathering of representatives from across Tikanga Māori to hui and wananga on matters related to the strategic direction of Mission across Tikanga Māori.

The 2021 funding will also support:

- Oversight for Mission in Aotearoa inclusive of the Minita a Whanau Programme
- Oversight of the Steering Committee for AIN
